

2012 ANNUAL MEETING PRELIMINARY PROGRAM (2/2/12)

SATURDAY, MARCH 3

4:00pm – 8:00pm **Cancer Prevention & Control Associate Directors/Program Leaders Meeting - Part 1** (*Invitation Only*)

SUNDAY, MARCH 4

8:00am – 5:00pm **Registration**

8:00am – Noon **Cancer Prevention & Control Associate Directors/Program Leaders Meeting - Part 2** (*Invitation Only*)

10:00am – 1:00pm **New Investigators Workshop** (*open to Invited applicants*)
Organizer: Judith Jacobson, DrPH, Columbia University

Noon – 4:00pm **Working Lunch Meeting of the ASPO Executive Committee**

1:00 – 4:00pm **ASPO Junior Members Sessions:**

- 1) Careers in Cancer Prevention: What You May Not See from Inside your Academic Department
Chair: Brian Sprague, PhD, University of Vermont
- 2) Getting Published: Tips for Writing Manuscripts and Navigating the Review Process
Chair: Karen Kaiser, PhD, Northwestern University

4:00pm – 6:00pm **OPENING SESSION OF THE ASPO GENERAL MEETING**

Welcome: ASPO President, Peter Shields, MD, The Ohio State University

Health Disparities: Lucile Adams- Campbell, PhD, Georgetown University

Distinguished Achievement Award Address: Electra Paskett, PhD, The Ohio State University, “The Science of Cancer Health Disparities: The Good, the Bad, and the Ugly.”

Joe Cullen Award Address: Stephen Hecht, PhD, University of Minnesota, “Tobacco Smoke Biomarkers and Cancer Risk in the Shanghai Cohort Study.”

6:00 – 7:30pm **Networking Mixer** (*Junior/Senior Member Networking Event*)

7:30pm **Dinner on your own**

MONDAY, MARCH 5

8:00 – 9:30am

Concurrent Breakfast Sessions

1. Diet & Nutrition SIG Breakfast – Lessons Learned from Animal Models of Prevention and Transdisciplinary Studies
Chair: Michele Forman, PhD, UT-Austin
Patti Thompson, PhD, University of Arizona
Stephen Hursting, PhD, UT - Austin
2. Tobacco SIG Breakfast: The Changing Smokeless Tobacco Market: Implications for Cancer and Public Health
Chair: K. Michael Cummings, PhD, MPH
Alan Blum, MD, University of Alabama and
Richard O'Connor, PhD, Roswell Park Cancer Institute
3. Behav Onc/Cancer Comm SIG Breakfast: Participatory Research – CTSA
Chairs: Chanita Hughes-Halbert, PhD, University of Pennsylvania &
Rena Pasick, DrPH, UC – San Francisco
Lorna McNeill, PhD, M.D. Anderson Cancer Center
Brian Rivers, PhD, Moffitt Cancer Center

9:30 – 10:00am

Nanomixer

10:00 - 11:45am

Concurrent Paper Sessions

Paper Session 1: Transdisciplinary Risk Prediction

Paper Session 2: Biobehavioral Determinants and Mechanisms

12:00 -1:30pm

Best Hot Topic Papers: Cancer Epidemiology, Biomarkers and Prevention (CEBP) (Box lunch provided)

Chair: Timothy Rebbeck, PhD, University of Pennsylvania

2:00– 3:30pm

Concurrent Symposia

Symposium 1: Energetics & Genomics

Chairs: Lisa Colbert, PhD, University of Wisconsin

Marc Schwartz, PhD, Georgetown University

Cheryl Thompson, PhD, Case Western Reserve University

“DNA Methylation as a Sensor for Age and Exposures”

Jean Pierre Issa, MD, Temple University

“Obesity, Insulin-related Markers, Cancer Risk and Prevention – Implication to Personalized Medicine”,

Jing Ma, MD, PhD, Harvard Medical School

“DNA Methylation: A Potential Biomarker for the Evaluation of the Efficacy of Behavioral Interventions”

Angela Bryan, PhD, University of Colorado-Boulder, CO

Symposium 2: Practice-Based Evidence: Sustainable Interventions for the Clinic and Community

Chairs: Amelie Ramirez, DrPH, UTHSC at San Antonio &
Beti Thompson, PhD, Fred Hutchinson Cancer Research Center

"If We Want More Evidence-Based Practice, We Need More Practice-Based Evidence"

Lawrence W. Green, DrPH, UC – San Francisco

"What Types of Evidence Do We Need to Produce Relevant and Sustainable Interventions?"

Russell E. Glasgow, PhD, National Cancer Institute

"Reaching Thousands to Efficiently Find the Few: A Practice-Based Intervention for Low-Income Women at Risk for Hereditary Breast Cancer"

Rena Pasick, DrPH, UC-San Francisco

3:30 – 4:00pm

Nanomixer

4:00– 5:30pm

Concurrent Symposia

Symposium 3: Decision Making: What Does it Take to Move Observational Research to Policy?

Chairs: Michele Forman, PhD
Peter Shields, MD
Walter Willett, MD, DrPH

Moderator: Michele Forman, PhD, UT-Austin

"Diet and Lifestyle: Getting to Action Without Randomized Trials"

Walter Willett, MD, DrPH, Harvard School of Public Health

"Translating Tobacco Control Research to Regulation and Policy"

Peter Shields MD, PhD, The Ohio State University

"Evidence-Based Review System for Cancer Health Claims"

Paula Trumbo, PhD, U.S. Food and Drug Administration,

Symposium 4: Comparative Effectiveness Research Across the Cancer Continuum – Building Blocks Necessary to Influence Policy

Chairs: Diana Buist, PhD, Group Health Research Institute
Mack Ruffin, MD, University of Michigan

"Cyberinfrastructure for Improving Comparative Effectiveness Research in Cancer: The CYCORE Project"

Susan Peterson, PhD, UT MD Anderson Cancer Center

"Common Ground: Proposed Terminology for Consistency in CER – The Case of Cancer Screening"

Jessica Chubak, PhD, Group Health Research Institute

“Stakeholder Engagement in Research – How Does this Work and is this Possible with the Existing Funding Paradigm”

Diana Buist, PhD, Group Health Research Institute

5:30 – 5:45pm

ASPO/ASCO/Prevent Cancer Foundation Cancer Prevention Research Fellowship Awardee Address:

Scott V. Adams, PhD, MPH, Fred Hutchinson Cancer Research Center,
“Inflammatory Bowel Disease and Survival After Colorectal Cancer.”

5:45 – 6:30 pm

ASPO Business Meeting

6:30 – 8:00pm

Poster Session and Reception (*dinner on your own*)

TUESDAY, MARCH 6

8:00 - 9:30am

Concurrent Breakfast Sessions

1. Survivorship SIG Breakfast: Late Effects of Cancer Treatment: Opportunities for Prevention/Early Detection

Chairs: Anita Kinney, PhD, RN, University of Utah

Les Robison, PhD, St. Jude Children’s Research Hospital

“NCI’s Investment in Cancer Survivorship Research: Past, Present and Future”

Julia Rowland, PhD, NCI Office of Cancer Survivorship

“Late Effects of Childhood Cancers”

Melissa Hudson, MD, St. Jude Children’s Research Hospital

“Late Effects of Adult Cancers”

Kevin Oeffinger, MD, Memorial Sloan Kettering Cancer Center

2. International SIG Breakfast

Title: Cancer Prevention for Global Health

Chairs: Frank Meyskens, MD

Dejana Braithwaite, PhD

Speakers: Paolo Boffetta, MD, MPH, Mount Sinai School of Med,

“Global Cancer Prevention: What has been Achieved and What Could be Achieved?”

Timothy R. Rebbeck, PhD, University of Pennsylvania,

“Capacity-Building Research Partnerships in the African Diaspora?”

3. Behav Onc/Cancer Comm SIG Breakfast

Title: eHealth/mHealth: Challenges and Opportunities for Use Among Minority Populations

Chairs: Lorna McNeill, PhD

Amelie Ramirez, DrPH

Jason Purnell, PhD, Washington Univ. in St. Louis

Damon Vidrine, DrPH, M.D. Anderson Cancer Center

Gary Bennett, PhD, Duke University

9:30 – 10:00am

Nanomixer

10:00 – Noon

Current and Future Perspectives on Cancer Prevention & Control Research

Moderator: Peter Shields, MD, The Ohio State University

Panel:

Robert Croyle, PhD, National Cancer Institute

Barnett Kramer, MD, MPH, National Institutes of Health

Cancer Center Directors:

Mary Beckerle, PhD, Huntsman Cancer Institute, University of Utah

Sheldon Earp, MD, Lineberger Comprehensive Cancer Center,
University of North Carolina at Chapel Hill

Louis Weiner, MD, Lombardi Comprehensive Cancer Center,
Georgetown University

Nancy Davidson, MD, University of Pittsburgh Cancer Institute

Noon– 12:30pm

Break

12:30 – 2:00pm

Concurrent Lunch Programs

Session 1: NCI Session on Career Development for Doctoral Students,
Postdoctoral Fellows and Junior Faculty

Chairs: Ming Lei, PhD

Susan Perkins, NCI Cancer Training Branch

Session 2: Senior Faculty Development

Career Transition and Mobility: What Does It Take to Move?

Moderator: Anita Y. Kinney, PhD, RN

Panel: Melissa Bondy, PhD, Baylor College of Medicine

Michele Forman, PhD, UT - Austin

Peter Shields, MD, The Ohio State University

Wendy Demark-Wahnefried, PhD, Univ of Alabama -

Birmingham

2:00– 3:30pm

Concurrent Paper Sessions

Concurrent Paper Session 3: Breast Cancer: Risk Prediction, Screening and Behavior Modification

Concurrent Paper Session 4: Opportunities for Prevention Across the Cancer Control Continuum

3:30pm

Meeting Adjourns
